Descrizione:	

Following the success of the previous phases, this attractive new-build development in San Miguel de Salinas has now reached its third phase. This new phase enjoys a particularly beautiful location on the edge of this charming Spanish town, where peace, nature and authentic Spanish living come together perfectly.

All apartments are south-facing and enjoy beautiful open views across the adjoining nature reserve. Thanks to this excellent orientation, residents can make the most of the sunshine and the wonderful Mediterranean climate throughout the year.

One of the major advantages of this location is the combination of peaceful surroundings with all everyday amenities close at hand. The centre of San Miguel de Salinas is within easy walking distance, offering shops, supermarkets and, of course, typical Spanish bars and restaurants where you can enjoy the local atmosphere all year round. In addition, a brand-new commercial centre is planned nearby, further expanding the range of amenities available in the immediate area.

The location is also excellent for golf and beach lovers. Several golf courses can be found within 5 kilometres of the development, while the beautiful beaches of the Costa Blanca are approximately 8 kilometres away.

The modern apartments come standard with 2 bedrooms and 2 bathrooms. A limited number

of 3-bedroom options are also available at an additional cost. For those looking for even more outdoor space, the elevated corner apartments are particularly attractive. These properties feature an impressively large terrace, providing the perfect setting to enjoy the Mediterranean lifestyle, sunshine and open views. Due to their additional features, these apartments are offered at a slightly higher price level.

The development is completed by a beautifully landscaped communal garden with swimming pool, creating an inviting place to relax and enjoy the Spanish sunshine. In addition, every apartment comes with its own private parking space.

An attractive opportunity for anyone looking for a modern home in a peaceful setting, surrounded by nature and sunshine, while still being within walking distance of the authentic Spanish lifestyle of San Miguel de Salinas. With everyday amenities, golf courses and beaches all nearby, this development is an excellent choice for both permanent living and as a second home on the Costa Blanca.
