The Fairway Club

Scandinavian A-frame villa located directly on a private golf course, close to Bucharest and the airport.

A rare lifestyle, just minutes from the capital

The residential development is set within the largest golf club in the north of the capital, on an 18-hole championship golf course. Here, open spaces, privacy and uninterrupted views over the golf course create a lifestyle that is hard to find this close to Bucharest.

A unique project, with a distinctive presence

Casa Willow stands out through its Scandinavian A-frame design, with a double-height living room where the kitchen and living area merge beneath tall, generous windows. Floor-to-ceiling glazing offers uninterrupted views over the golf course, while the private garden is also oriented towards the golf course — a fluid connection between inside and outside.

For those who want the most space, the best views and a distinctive presence, this is the ideal home.
