Descrizione:

This attractive townhouse in Tavira offers bright, comfortable living in a convenient location within easy reach of the historic town centre. Refurbished in 2024, the property is arranged over several levels and combines modern interiors with balconies and private outdoor areas with far-reaching views across Tavira, the river and towards the ocean. Restaurants, cafés, shops and everyday amenities are only a few minutes away, while the historic centre can also be reached on foot.

From the bright entrance hall, stairs lead to the main living floor, where an inviting open-plan living and dining area is centred around a feature fireplace. The fully equipped kitchen connects seamlessly with the living space, creating a practical and sociable setting for everyday life and entertaining. Doors open onto a terrace with a barbecue area and space for outdoor dining or relaxing while enjoying the views across Tavira. A guest bathroom completes this level. The upper floor is dedicated to the principal bedroom suite, featuring a private bathroom and its own balcony, ideal for enjoying a quiet morning coffee.

On the lower-ground floor are two further bedrooms and two separate bathrooms, providing comfortable additional accommodation for family or guests. One of the bedrooms offers excellent flexibility and

could equally be used as a home office, private lounge or gym, depending on the new owner's requirements. A separate staircase leads down to the basement level, which has been converted into an independent 3-bedroom apartment. This additional accommodation comprises three bedrooms, two bathrooms including one en-suite and a fully equipped kitchen. It also benefits from its own separate entrance and direct access to a private terrace, creating a distinct and self-contained space that is ideal for extended family, guests or independent living. Double glazing windows, air conditioning throughout and solar hot water provide year-round comfort and efficiency, while the private garage with electric door offers secure parking and valuable additional storage.
