Descrizione:

Located near the peaceful village of Luz de Tavira in the East Algarve, this contemporary villa enjoys a tranquil residential setting close to the Ria Formosa Natural Park and the coast. Luz de Tavira itself offers small local shops and everyday conveniences, while Tavira centre is only a few minutes away by car, providing an excellent choice of restaurants, cafés, supermarkets, shops and services. The surrounding area is known for its relaxed atmosphere, unspoilt beaches and easy access to the islands and waterways of the Ria Formosa, making this an appealing location for both permanent living and holidays.

From the entrance, you step directly into the bright open-plan living, dining and fully fitted kitchen area, creating an immediate sense of space and connection. Large glass doors open directly onto the terrace and private swimming pool, allowing the indoor and outdoor living areas to flow naturally together. Also on this level is a versatile bedroom, which could equally be used as a home office, lounge or gym. This room has direct access to a terrace overlooking the rear back garden. A stylish modern bathroom with high-quality finishes completes the ground floor. Upstairs are two generously proportioned en-suite bedrooms, both with direct access to balconies and attractive views towards the Ria Formosa. Built-in wardrobes and contemporary bathrooms with elegant finishes and walk-in showers add to the comfort and functionality.

One of the villas standout features is its rooftop terrace, offering far-reaching views across the Ria Formosa towards the sea. A pergola provides a comfortable shaded seating and lounge area, while a fitted kitchen and barbecue create the perfect setting for outdoor entertaining. Whether enjoying dinner with family and friends or relaxing with a glass of wine at sunset, this rooftop space adds a particularly special dimension to the property and can be enjoyed throughout much of the year. The villa also benefits from a carport, with additional parking available in front. Photovoltaic panels located in the back garden, helping to improve energy efficiency, while the hot water is heated by a solar system.

Combining contemporary design, a private swimming pool, flexible living spaces and excellent outdoor areas, this property is equally suited to permanent living, a holiday home or an investment in the East Algarve. Tavira and the coast are within easy reach, while Luz de Tavira train station is just a few minutes walk away, providing convenient connections along the Algarve. Faro International Airport is approximately 25 minutes away by car, making the property especially convenient for international owners and visitors.
