Modern Apartments in Green Imanta

Four Seasons is a modern three-storey residential development located at 1 Kooperatīva Street in Imanta, Riga. The project combines well-considered architecture, functional apartment layouts and A-class energy efficiency, offering a comfortable living environment for families, couples and individual buyers alike.

The development offers apartments of various sizes, ranging from approximately 34 to 87 m², with two-, three- and four-room layouts. This variety allows buyers to choose a home that suits their individual needs and lifestyle. A-class energy efficiency helps reduce energy consumption and everyday maintenance costs.

Green and Well-Maintained Surroundings

One of the project's key advantages is its green surroundings and the opportunity to enjoy a more peaceful lifestyle while retaining the convenience of city living. Nearby amenities include cycling paths and a variety of sports and leisure facilities, such as Volvo Ice Hall, tennis courts, a football field and a 24-hour fitness club.

Convenient public transport connections, including trams, buses and trains, provide easy access to Riga city centre and other parts of the city. Riga International Airport is approximately a 15-minute drive away.
