We present you this magnificent 4 bedroom manor house dating from 1937, located in the quiet parish of Faria, in Barcelos. The property has undergone a deep and careful renovation work, combining the charm and character of the traditional architectural design in stone with contemporary comfort and convenience, being completely ready to move in.

Inserted in a completely walled plot that guarantees maximum privacy, the property has a total land area of 1,638 m<sup>2</sup> (the result of the junction of the main plot with an annexed plot in front of 140 m<sup>2</sup>). With a gross private area of 252 m<sup>2</sup> developed on the main floor, the house consists of 4 bedrooms, 2 complete and modernized bathrooms, and an impressive social area with multiple interconnected rooms. The preservation of its history is evident in the imposing wooden ceilings and the classic stone "loveseats" next to the windows.

With the day to day in mind, the kitchen has been fully modernized and is fully equipped with Bosch appliances, also benefiting from a pantry. The thermal and acoustic comfort of the house was ensured with the installation of aluminum frames with double glazing, also taking advantage of an exceptional sun exposure (North, South, East and West) that gives it natural light throughout the day.

The great differentiating factor of this property is its outdoor areas and potential for expansion. The cobblestone patio gives access to a garage for 1 car and fantastic dependent areas (436 m<sup>2</sup>). The old granite cellars, covered areas and a ground floor with large storage areas stand out. The space invites leisure, with a barbecue and old stone tanks, offering the perfect setting for the construction of a swimming pool, social areas or for an investment in Rural Tourism Local Accommodation.
