Descrizione:

Set on the third floor of a contemporary residential development completed in 2023, this two-bedroom apartment in Quarteira enjoys sea views, an eastwest orientation and a convenient location within walking distance of the beach, shops and local amenities. With modern finishes and a practical layout, it is well suited to year-round living, a holiday home or a rental investment on the Algarve coast.

The open-plan living and dining area, with its fully equipped kitchen, faces east and welcomes the morning sun. Sliding doors lead onto a private balcony with sea views, creating an inviting space to enjoy the outdoors. Both bedrooms face west, benefiting from afternoon light and access to a second balcony. The principal bedroom has an en-suite bathroom, while a separate bathroom serves the second bedroom and guests.

Double-glazed windows provide thermal and acoustic insulation, while air conditioning helps maintain a comfortable indoor temperature throughout the year. A private double garage and a separate storage room add valuable convenience, particularly for owners who plan to use the property as a permanent residence or lock-up-and-leave holiday home.

Quarteira offers a relaxed coastal lifestyle, with supermarkets, restaurants and everyday services close at hand. Vilamouras marina, golf courses and dining options are just a short drive away. Combining a

recently completed building, two outdoor spaces and practical parking with a sought-after coastal setting, this apartment is an appealing opportunity to enjoy the Algarve.

Features and fittings mentioned are subject to agreement and verification between the vendor and the buyer.
