Set in peaceful countryside approximately 15 minutes from Tavira, this renovated 3+2 bedroom villa for sale enjoys panoramic sea and countryside views within approximately 4,100 m² of private grounds. Combining a three-bedroom main residence with an independent two-bedroom apartment, the property offers privacy and flexible accommodation for family and guests. The interior was fully renovated in 2026, introducing contemporary finishes and bespoke carpentry while preserving the villas character.

The main residence provides three bedrooms and welcoming living spaces designed for comfortable everyday living. Carpenter-fitted cabinetry, internal doors and built-in wardrobes with integrated LED lighting bring a consistent finish to the interiors. The contemporary kitchen features premium Silestone quartz worktops, while the bathrooms include a quartz bath and stone shower trays. The independent apartment offers two additional bedrooms, a kitchen, living room and bathroom, allowing guests or extended family to enjoy their own space.

Outside, a private heated swimming pool measuring 9 m × 5 m is complemented by spacious terraces for relaxing and entertaining. The grounds feature a variety of established trees, with a private borehole and

pre-installation for automatic irrigation. Electric entrance gates open onto ample private parking, while 12 solar panels with battery storage supplement the property's energy supply. Starlink internet is installed, with speeds reported by the owner at approximately 100 Mbps throughout the property. The energy certificate will be updated to reflect the installation of photovoltaic panels and improved insulation.

Well suited to a permanent residence or a holiday home with separate guest accommodation, this villa combines countryside living with convenient access to golf, beaches and Tavira amenities. Monte Rei Golf & Country Club is approximately seven minutes away, with Quinta da Ria and Quinta de Cima golf courses around 15 minutes away by car.
