Descrizione:

Villa Seven is a home where tranquility, simplicity, and refinement take center stage. Situated in one of Jávea's most sought-after residential areas, this villa enjoys a beautiful location with open views of the Granadella protected nature reserve. Here, you experience complete peace and privacy, while Jávea's most beautiful bays, beaches, restaurants, and amenities are just a short distance away. In 2021, the villa was completely renovated under the guidance of interior designer Jessica Bataille . A conscious decision was made to preserve various authentic elements, such as original doors and built-in cupboards, and integrate them into the renewed design. The result is a harmonious home where character, natural materials, and contemporary comfort come together seamlessly. With a built-up area of 147 m^2, the home feels surprisingly spacious thanks to its well-thought-out layout. Located on the ground floor is the open kitchen with an adjoining living area, which opens directly onto the spacious terrace and swimming pool through large windows. The strong connection between indoor and outdoor living creates a relaxed Mediterranean atmosphere and allows natural light to stream in abundantly. Also located on this floor are a guest toilet and a practical storage room. The first floor comprises three bedrooms and two bathrooms. The master bedroom features a private terrace where you can enjoy the tranquility, the view, and the natural surroundings that make this location so special. Much attention was also paid to atmosphere and comfort outside. The terraces form a natural extension of the living space and create various spots to relax, dine, or enjoy the sun around the pool. Additionally, the property features a private parking space

with a pergola. Villa Seven combines an exceptional location with timeless furnishings and a unique living experience. Just a few minutes' drive from the idyllic bay of Granadella, Arenal beach, and the historic center of Jávea, this property offers the best of the Costa Blanca: nature, privacy, design, and a relaxed Mediterranean lifestyle.
