"RockIT Properties" is pleased to present a modern house located in the heart of the Old Town. The house has a central air conditioning system - air-water heat pump, underfloor heating, bathroom and toilet on each floor, cabling of cable and satellite TV and internet, wooden windows with double glazing, security and video surveillance, granite flooring, solid whiteboards pine, and decorative concrete. The complete insulation of the house and the building in the yard are stone wool. Massive walls of a double-lined single brick, fireplace on each floor, and outdoor barbecue.

There is an outdoor stone fountain in the yard and complete landscaping has been done. On each residential level, there is a fully equipped kitchen, and the house is fully designed from the inside and furnished.

Separate building in the yard - sauna for 6 people with a bath, which is 13.08 sq.m.
