"RockIT Properties" is pleased to present you with an amazing penthouse located on the top floor of a new building with luxurious common areas and a great location - Izgrev

The apartment is characterized by its spacious and bright rooms, 3 large bedrooms, each with its own bathroom, study, huge living room with dining area, and kitchen, which can be separated from the living room by sliding doors.

The terrace surrounding the entire apartment with its breathtaking, 360-degree views, gives an incomparable feeling of freedom and space. It is suitable for a barbecue with family and friends after a long working day, as well as for a relaxation area and inspiration high above everyday problems.

It is equipped with furniture and appliances of the highest class, a professional home theater system, a huge closet in one of the bedrooms, wardrobes and service rooms, and "Oberlicht" windows in the attic in the bathrooms, giving a natural atmosphere and comfort.

The rental price includes a large garage for 2 cars, high and with space for shelves.

For additional information and viewing, call the indicated phone number.
