spacious ensuite master bedroom, ensuite guest bedroom, full gourmet kitchen, open concept living and dining, a common half bath and private covered balcony. The intelligently designed floor plan pivots on both elegance and functionality and promotes both indoor and outdoor living. The computer milled travertine marble style flooring transcends the common space interior and extends out to the private covered balcony. The retractable floor to ceiling glass wall to the east facilitates panoramic ocean views as well as seamless flow from the indoor to the outdoor living spaces where the ocean views continuously arrest your senses with pleasurable serenity.

The designer gourmet chef's kitchen features top-of-the-line handcraft hardwood cabinetry with granite counter tops, dishwasher and garbage disposal, gas or electric cook top and electric oven, professional grade high-capacity exhaust fan, and double door refrigerator with built-in ice and water dispenser connected to the buildings filtered water purification system. The matching baseboards and door trims are also handcrafted from local hardwoods and polished to match the cabinetry and millwork This is complemented with high-end stainless-steel appliances and best-in-class cookware, cutlery, and utensils. The living room boast a full wet bar, including beverage cooler.
