Omschrijving:	

Excellent plot of land with 570 M2, ideal for the construction of a detached family villa overlooking the bay of Funchal and with very good sun exposure.

Located in a place in constant appreciation, with good access, about 10 minutes from Funchal and close to supermarket, schools, pharmacy, bakery etc.

The fact that it is a little sloping land and has already had a construction in the past (it is in ruins), facilitates a future construction.
