Omschrijving:

Welcome to your dream countryside retreat above the picturesque village of Alte. Nestled in the tranquil hamlet of Fonte de Arez, this spacious rural plot of 1,027 m² offers a rare opportunity to experience authentic Algarvian living, surrounded by rolling hills and just a short walk from a serene natural lake.

Originally a pre-1951 ruin, this property is being thoughtfully reimagined as a beautifully crafted 2 or 3-bedroom detached villa, tailored to suit your lifestyle. Offered as a turnkey project, the home is being meticulously restored to blend timeless architectural charm with modern comforts resulting in a bright, harmonious space designed for relaxed living.

A private driveway leads to shaded parking, while landscaped gardens envelop the home in peace and privacy. The open-plan kitchen and living areas are designed to flow effortlessly onto outdoor terraces,
