Description	

Ocean View Farm with 380.000 square meters is only 10 minutes from the highway and the beach

The ocean view farm has panoramic views overlooking the Atlantic and 3 small rivers that run through the farm. Two springs are originating on the farm itself with clean drinking water. The farm has multiple fruit trees, mangos, cacao, papaya, and much more.

A decent good road was made throughout the farm. Furthermore, the farm has beautiful ocean views and is used now to raise cows.

The owner planned originally to create a development on this farm but his plans have changed. Saying that this option is still possible.

The farm is located a 10-minute drive from the town of Rio San Juan and beautiful beaches, a 1-hour drive to Puerto Plata airport.

The farm is maintained and kept clean, it could have many uses, can be your second home, retirement paradise, development project, or retreat place.
