Description

Wonderful Dairy and Crop Farm for sale west of Puerto Plata

The dairy and crop farm is located about 2-3 km from Puerto Plata and 3 km from Ocean World and Cofresi. The farm is just over 1.5 million m² (370 acres) and has views of the ocean and the city of Puerto Plata from 60-70% of the property.

On 100% of the property, there is a view of a large valley and the Isabel de Torres mountain. It has 2 natural sources of water (wells or springs). One of them runs all year long, the other dries up in the summer. There are also 2 or 3 lagoons on the property. The lower part of the farm borders the San Marcos stream (close to 1 km of river frontage). It has several slate mines on it. It is currently set up as an operational dairy farm.

Furthermore, there are 2 or 3 lagoons, the San Marcos stream, and two Dominican houses on the property with two bedrooms and also a dairy facility. If someone is interested in a smaller piece of this stunning farm it could be divided into 3 or 4 lots of 400,000 to 500,000 m² each.
