Omschrijving:	

Building with approved project in Lisbon.

In the heart of Lisbon's most popular and sought-after residential district, a boutique and special charm project is being created that combines new premium construction with the rehabilitation of a historic building.

The apartments in this project have been carefully designed to allow maximum use of the space, emphasizing the small details that create the perfect residential experience. The development is developed on four floors with apartments ranging from T2 to T3.

Keeping its history, the project provides its residents with a modern and comfortable life in a traditional neighborhood. Campo de Ourique has a vocation for very strong and ancient trade. A neighborhood with a life of its own, it looks like a small town within Greater Lisbon.
