Attractive character stone cottage, in a quiet hamlet location, and close to the market town of Civray. The property has 4 double bedrooms and 2 shower rooms, a large barn attached and a pretty courtyard garden which is enclosed and easy to maintain.

All the reception rooms on the ground floor have patio doors onto the courtyard, and the 4th bedroom can be accessed from the barn via a staircase and mezzanine, thus lending itself to separate guest accommodation with further development of the barn (subject to relevant permissions).

The property is spacious enough for a family home, but also ideal as an easy-maintenance holiday home.

Heating is by way of a reversible heat exchanger system, for winter heating or summer air-conditioning, although radiators are in place if anyone wanted to install central heating.
