Omschrijving:

According to the Municipal Plan (PDM), it is divided into different zones, one of these parts has 1600m² within an industrial area, the remaining area it's ideal for agriculture and taking advantage of the fertile soil.

The land has good access via tarmac, water and drains are available and ready to be connected. The land is partially flat, has mature trees like almond, carob and fig.

Location is very handy because it's close to Boliqueime village as well as the commercial area and has easy access to the N125 road and the A22 motorway. - REF: 1009-2325
