Omschrijving:

We present this storage room for sale located in Alameda Recalde, on the corner with Labairu. With an area of 9m2, this space offers a perfect solution to store your belongings in a safe and organized way. One of the

outstanding features of this storage room is its generous height, which allows you to make the most of the vertical space. This quality is especially valuable for storing bulky objects or using high shelves, thus optimizing storage capacity.

In addition, it is important to note that this storage room has water service, which is an additional advantage. This gives you the possibility to perform cleaning or maintenance tasks of your belongings in a more comfortable and practical way.

Another highlight is the presence of a forklift in the building. This element facilitates the transfer of heavy or bulky objects to the storage room, avoiding unnecessary efforts and ensuring convenient access.
