The apartments have parking (three parking levels: -2, -1 and level 0) and a storage room.

The apartments are characterized by their contemporary lines, neutral tones and unobstructed views over the city, Monsanto and the Águas Livres Aqueduct.

Excellent finishes and materials. We highlight the built-in closets, the wooden floors, the large glazed windows that let in lots of light, the open kitchens with stone worktops and equipped with appliances, the marble bathrooms, the air conditioning, the video intercom system and the double glazing.

The Campolide neighborhood is markedly residential and very dynamic, with lots of local shops, cafés and restaurants. Nearby we find Amoreiras, an important business center in Lisbon, which also stands out for its Amoreiras Shopping Center.
