Omschrijving:	

Former capital of the Algarve region, it still has a strong medieval Muslim and Christian heritage.

Proof of this are the physical landmarks that are still present today, such as the Castle of Silves, with the Arab personalities who passed through there, such as the poet Abenamar or the Sufi political leader Ibn Qas

Located north of Via do Infante (A22), just a few minutes from the historic and quiet town of Silves, this new development has been designed to take advantage of the topography of the land, the fantastic and wonderful views of the Monchique mountains.

The fantastic Algarve coastline is less than 15 minutes away and Faro International Airport is about 40 km away.

If you are looking for a place that combines modern and nature, Silves is the place to go!
2 bedroom townhouses under construction, stunning lake views, living room and fully equipped kitchen.
