The name of this parish comes from the "riverside" that crosses it.

Although it is not possible to give an exact date for the foundation of this locality, we can, however, say that it points to the end of the fifteenth century or the beginning of the sixteenth century. Until August 1948, Ribeirinha belonged to the parish of Nossa Senhora da Estrela in the then village of Ribeira Grande

The place of Grams is very picturesque and wooded, being crossed by a stream where many years ago women washed their clothes. Likewise, the water in its fountains is very pure, and some claim that it has therapeutic effects. - REF: 326/T/03562
