Omschrijving:	

Located close to the coast we find in a quiet setting this architect designed house near to Tourneville-sur-Mer (50660), this sublime, quietly located house of 342 m2 living space.

- Ground floor: there is an entrance, an exceptional living space of 66 m2, a large bedroom of 19 m2 with its dressing room and bathroom, a fitted kitchen and a laundry room.

- Upstairs: there is a bedroom with shower room and toilet and a large mezzanine of 61 m2.

Annexed to the house is a large outbuilding of 100m2 with garage.

All on a vast plot of land of over 4000m2.

The department of Manche is in Lower Normandy and is bordered with Calvados, Orne, Mayenne and Ile-et-Vilaine. The English Channel in the west, north and north-west coastlines makes getting here to its many ports very easy from the UK. There is also an airport in Caen and many others are easily accessible in the surrounding regions such as Rennes airport.

History is all over the department through its museums and heritage, discovering the local traditions and culture as well as Chateaux, religious monuments, water mills, maritime sites and gardens is easy to do. The biggest 'must-do' is a visit to Mont Saint Michel.

Tourism plays a major role in the economy of the department which is fine because there is so much to see and do.
