Incredible business opportunity! We have for sale a company with a boat ready to offer an exciting excursion activity for tourists in one of the most sought-after areas of Costa Rica: Flamingo Marina, located in the province of Guanacaste.

This boat is brand new, an APEX 28-foot vessel with a capacity for 14 people, equipped with 2 Suzuki 150 hp engines, and it has only had 30 hours of activity (hardly been used). The business package also includes a 2008 diesel Montero Sport car, the website, the company's phone number, as well as snorkeling equipment (12 adult vests and 2 children's vests, 12 snorkeling kits), a bbq, a fire extinguisher, a survival kit, a sport fishing license, and two mooring spots for the boat at Flamingo Marina. It's worth mentioning that the boat's inspection is up to date until November.

Due to personal reasons, the owners have decided to sell the business at cost price.
