Omschrijving:	

This rustico house, which is still under construction and located in the village of Castel'Ottieri, will undoubtedly delight you with its potential and remarkable location.

Nestled in the picturesque countryside, south of Monte Amiata and surrounded by a green backdrop, this property offers tranquillity and unity with nature. On the 1.5 hectare plot, divided into half farmland and the other half woodland, you have the opportunity to enjoy the fascinating Tuscan flora. One of the remarkable features of this property is the spacious panoramic terrace with breathtaking views of the surrounding countryside.

The house offers the rare opportunity to be completely personalized. You have the freedom to design your dream house and turn it into a unique home according to your personal ideas and needs. Of course, you can also make use of the existing power supply. There is also the option of a water supply to maximize living comfort and meet all the needs of everyday life.

Let's now talk about the existing plans for this property: The project envisages four spacious, bright bedrooms. There are also three bathrooms, which are ideal for a large family or for receiving guests. In addition, there are two large living rooms that are perfect for family life and an attic room that can be used for storage. There are also several cellar rooms that can be used as additional storage space. Of course, these plans can be adapted and tailored to your specific wishes.

With this rustico house, you have the unique opportunity to create a true oasis of tranquillity in typical Tuscan surroundings.
