Omschrijving:	New apartments in Estepona!

Discover in Estepona the new development area where we build for you a unique residential that adapts to everything you are looking for on the Costa del Sol.

70 magnificent apartments, you can choose your house with one to four bedrooms in a 3-storey building, where all the units have large terraces or gardens, and community spaces designed to make the most of your time in the pool, the gym or in the community rooms.

All the houses have a storage room and one or two underground parking spaces.

This new development represents design, avant-garden, ecology and distinction. It is a unique space with a firm commitment to architecture, landscaping, green areas, common areas and quality in every way.

The location of these new apartments is the right balance between living in a private residence and being close to the city centre and its beaches, shops, medical, educational and leisure centres. The project is committed to the highest energy rating, which represents significant energy savings while also taking care of our environment.
