Omschrijving:	

Just 10 minutes from Paulhan and Gignac, in the charming village of Tressan, very beautiful stone shed of approx. 240 m2 on the ground. 23 m long x 10.50 m wide 8.30 m high at the ridge. Electric meter already in place. Niche for water in place (not the meter). By creating a home upstairs, you will benefit from a superb unobstructed view of the countryside.

No land with it, but the land next door is also for sale.

The department of Hérault is in the Languedoc-Roussillon region located in the south of France. It is surrounded by the Pyrénées-Orientales, Ariège, Tarn and Aude departments.

Widely regarded as possibly the most dynamic department in Languedoc Roussillon with Montpellier as its capital and the popular seaside resorts of Sete and Grande Motte bringing in millions of tourists every summer, the Hérault department is certainly busy and growing.

But despite all the activity along the coast, the interior of Hérault is as beautiful and unspoiled as it has always been. The Hérault countryside is glorious, driving away from the coast into the foothills of the Black Mountains you can get lost in an ocean of vines.

Villages in the department of Hérault are incredibly pretty. Roquebrun is stunning, with its bridge and old water mill on the river Orb. St Guilhem-le-Desert is also beautiful - and one of Languedoc's top tourist spots.

Hérault is also a favourite of Brits looking to move to the area. Pezenas and Lodeve are both popular towns - Pezenas used to be the region's capital and is becoming quite chic.

In short - the department combines beautiful countryside with the buzz and glamour of a major city (Montpellier).
