Omschrijving:

The newly developed residential and business district "Am Alten Stadthafen" is located in the immediate vicinity of the main railway station. Picturesquely situated on the waterfront, you will find peace and relaxation, despite its close proximity to Oldenburg's historic old town - or entertainment and good food in one of the surrounding restaurants. We offer fully furnished apartments that you can rent for a period up to 6 months. Especially for longer stays, the apartments offer a real alternative to the classic hotel. You will find a high-quality living experience and the space of a suite at attractive prices.
