Omschrijving:

This land is located on the mountain side off the road from Maenam to Nam Tok Jet Chan (7-Level Waterfall). It is peaceful and quiet with amazing, open sea and mountain views and surrounded by only coconut plantations.

It sits approximately 3 km from the coast. Here you will be able to build your dream house and enjoy the beautiful nature of Thailand - all alone. The main road is only 5 minutes away by motorbike, and the last kilometer to the land is a dirt road (with government plans to build a concrete road running next to the land).

The land is available freehold with a Nor Sor 3 Gor title which is ready to upgrade to Chanote. The owner is open to the possibility of a long-term rental.
