NEW BUILD APARTMENT DEVELOPMENT with 2 and 3 bedrooms with community pool and garden. It is an enclosed development consisting of 36 apartments, 18 of which are on the ground floor, where the community pool and garden are located, and the other 18 on the upper floor. The ground floor apartments have 2 terraces, one of which gives direct access to the community area. The apartments on the top floor have a terrace but also a large private solarium and storage room on the top floor, which gives them added value. Both the urbanization and the apartments will be finished to the highest construction standards as shown in the pictures. The apartments will have a fully finished kitchen and bathrooms. The kitchen also includes an extractor fan, an oven and a hob. The doors and windows will be made of aluminium with double glazing and thermal break. Blinds are also included in the bedrooms. There is a show home which you can visit and see the finishes and qualities. In the Jalon valley itself is Murla, a quiet town but at the same time close to all amenities. Murla sits in the beautiful Pop valley. This charming village is an excellent mountain biking and hiking destination

Just a few minutes' drive away are Orba and Jalon, the nerve centres of the area. Just 15 minutes by car is Benissa where we can take the A7 motorway that connects directly with the cities of Valencia and Alicante and their airports. About 20-25 minutes from Murla we find fantastic sandy beaches. Ask for more information or call us for a no-obligation viewing.
