### Omschrijving:

Patio Cacti is a charming property located in the lower part of town, with convenient nearby parking, easy access, and lovely walking trails right from the front door.

As you enter, you're welcomed into a dining room with stairs leading up. A door opens to a cozy sitting room, while another leads through a hallway to the kitchen. Beyond the kitchen, a covered area leads to a family bathroom. At the back, there's a delightful patio featuring an impressive collection of cacti, as well as a small storage area off the patio.

Upstairs, there are three bedrooms, with an additional room off the master bedroom that could be converted into an ensuite, a dressing room, or even transformed into a private terrace by opening up the roof.

This is a neat and inviting house in a fantastic location in Olvera.
