Omschrijving:

This area of 9,120 m², is the junction of two urban lots, both with an approved project for the construction of 4 bedroom villas, but only one of the projects can be executed and the other urban lot intended for gardens ensuring total privacy.

Any of the projects offers rooms with private bathroom, office, living rooms with areas over 70 m², swimming pools, jacuzzi, gardens, where comfort and luxury go hand in hand.

Your dream land is waiting for you, ready to build that house you've always wanted to give more comfort to the whole family.

Schedule your visit and you will find out more details about the construction. The Palsul Group may present a budget for the realization of this work, we are currently finalizing a house with similar characteristics and areas.
