Whilst it is built as an apartment in one of the most convenient locations in Battaramulla, this is truly a family residence. Furthermore, the house comes with complete servant quarters with a full bathroom attached to the room.

In addition, enjoy the outdoor pool, the rooftop gym and the entertainment area with sensational views of the city plus 24hr security as common facilities in the apartment complex. ABOUT THE AREA

Battaramulla is situated 8.4 km from the Colombo Fort, near the Parliament of Sri Lanka. It is one of the fastest developing administrative, commercial and residential areas in the Colombo District, being home to the country's elite. Sri Lanka, formerly known as Ceylon and officially the Democratic Socialist Republic of Sri Lanka, is an island country in South Asia. It lies in the Indian Ocean, southwest of the Bay of Bengal, separated from the Indian peninsula by the Gulf of Mannar and the Palk Strait.

Endless beaches, timeless ruins, welcoming people, oodles of elephants, rolling surf, cheap prices, fun trains, famous tea and flavorful food make Sri Lanka irresistible. Poised above the equator, south-east of the subcontinent, Sri Lanka is often described as 'India lite'. And it offers the perfect introduction to this part of the world. There's enough of a culture difference to make you feel like you're somewhere properly exotic, and yet everything is so easy. The food is fantastic, English is widely spoken, and the island's bijoux size means you can fit a lot into a small amount of time.
