Optional interior design package available.

Dream Immo Properties is pleased to present this beautiful project ideally located in a peaceful haven where life is good, just a few steps from the bustling village and the region's only 18-hole golf course.

Practical and pleasant, the living room opens onto the dining room and open-plan kitchen, inviting sharing and conviviality. Bright and airy, it represents a comfortable living space that can be adapted to suit all tastes.

Separated from the living room by a large bay window, the ground floor terrace is a space that evokes the gentle Mauritian way of life. With its small private garden and swimming pool, it's a place of privacy and pleasure where you can recharge your batteries. Naturally airy, it's a pleasant place to relax at any time of day, whatever the season. The apartments on the 1st floor also feature a spacious balcony terrace. An invitation to relax and contemplate, it overlooks the Zen garden and its magnificent trees. Bright during the day, it takes on the orange hues of the setting sun in the late afternoon, and opens directly onto a magnificent starry sky in the evening.

All bedrooms have en suite bathrooms for added privacy. Elegant and comfortable, they have been

specially designed to facilitate circulation and access for people with reduced mobility. They also benefit from excellent exposure, making them bright and welcoming.

Between the sea and the golf course, these magnificent units, already built and ready to move into, are just waiting for you!

Ideal for living or investing. Very well located with quality services.
