Omschrijving:

This exquisitely restored duplex apartment (120 sq.m.) on the second floor weaves a captivating medieval narrative through its thoughtful preservation. The minimalist renovation philosophy celebrates authenticity, with carefully exposed original stonework narrating centuries of history. The magnificent wooden ceiling commands attention, whilst ancient wall recesses whisper tales of past residents who, through time, have lovingly transformed this space into a distinguished historical sanctuary.

The apartment is composed of:

First level: living / dining room with a feature fireplace, kitchen, study and bathroom

Second level: double bedroom, second bedroom with mezzanine, bathroom and french doors leading to the terrace.

Terrace: This outdoor sanctuary, sheltered by the historic centre's rooftops, functions as an extension of the living space, offering open-air living.
