Omschrijving:

We present a unique opportunity to acquire an exceptional plot of land in São Gonçalo, Funchal, with a total area of 2,394m², consisting of two adjoining plots (2,054m² + 340m²). This property stands out for its prime location, breathtaking panoramic views, and excellent development potential.

With a 35-meter road frontage, the land offers easy access and is ideal for the construction of two luxury villas or a customized dream home, maximizing the natural beauty and tranquility of the area.

Key Features:

- Expansive Land Area The combined plots total 2,394m², offering ample space for versatile and personalized residential projects.
- Spectacular Sea & City Views Enjoy unobstructed panoramic views of the Atlantic Ocean and Funchal's skyline, creating a peaceful and scenic living environment
- Prime Location & Accessibility Situated in São Gonçalo, a highly sought-after area, the land provides easy access to major roads and is just minutes from the heart of Funchal.

- Proximity to Essential Services Conveniently located near supermarkets, schools, healthcare facilities, and leisure areas, ensuring a high standard of living.

- Excellent Investment Potential With its strategic location and development possibilities, this land is not only ideal for a private residence but also a strong investment opportunity in the Madeira real estate market.

This is a rare chance to design and build a unique, high-end residential project in one of Madeiras most desirable areas.
