Omschrijving:	

Traditional house located in the heart of Tavira in a small, cobbled street and close to the church of San Sebastian and the city library. In a very quiet neighbourhood, you can walk everywhere to all commerce, transport facilities and schools and you also have lots of parking spaces in the direct vicinity.

The house is on one floor with a roof top terrace on top. The entrance door leads onto a beautiful corridor with colourful azulejo floorings. On the left wing is a guest bedroom or office with wooden floors, on the right wing is the open plan lounge dining area with a lovely decorative ceiling. At the very far end of the house is an attractive shower room with double vanity sink and separate toilet.

On the side is a modern kitchen with the master bedroom at the end. At the back of the house the kitchen, bathroom and main bedroom circulate around an internal patio, perfect for al fresco dining. A staircase leads to a terrace with a pergola and attractive views towards the salt flats.

This is a perfect get away house, would also do very well as a rental property.
