№15002

1.400.000€

Rare chance!

The plot of 901 m² is located right on the water and offers a magnificent view of the Bay of Kotor - an ideal place for residential development.

On the plot there is an old stone house of 70 m², divided into two floors. The house has a living room, three bedrooms, a kitchen and a bathroom.

In recent years, the living room and the master bedroom have been renovated. There is also an auxiliary building of 15 m² on the plot.

There is a possibility to build up to 720.8 m² on three levels (P+1+PK), with a building up to 270 m² at ground level, which is ideal for the construction of a small residential building or a luxury villa project. The plot has direct access from both the promenade and the main road.

Located in one of the most prestigious areas of the bay, just a few minutes from the Old Town of Kotor, this plot on the first line in Dobrota is a truly rare investment opportunity - a combination of coziness, excellent location and potential for development.
