Omschrijving:

Located in Petrovac.

Plot for sale with an unfinished residential building in an excellent central location in Petrovac. The horizontal dimension of the plot is 406 m2, and the total area under the building is 300 m2. To date, 3 floors have been built, these are rough works - net 1.132 m2, gross 1.199 m2. For serious investors it is possible to buy an adjoining plot, which is also owned by the family. The document has been submitted for legalization. In the immediate vicinity of the plot there is a promenade, railway station, shops, post office, clinic, pharmacies, restaurants and cafes. The distance to the sea is 300 meters. The building is assessed to be in very good condition and suitable for continued work. Due to its central location, it is a promising investment for both resale and rental.
