Take the time to explore Place de l'Hôtel de Ville: its curved building in the purest 18th century style including its clock tower and, opposite, the Opéra with its half-circle facade. Just a short walk away stands the Parliament of Brittany, one of the most prestigious monuments of Brittany's architectural heritage; you can take a moment to consider the renaissance of this fine example of 17th century architecture, magnificently restored after a fire in 1994.
