VIŠKOVO, SARŠONI - Building plot 1067 m2!

We mediate in the sale of construction land in Saršoni between Drenova and Viškov. The terrain has a nice rectangular shape. The terrain has a greater slope, however, in the continuation of the street there are more family houses built in the last 20 or so years (for comparison and the construction method). Water, electricity, sewage and telephone connections right next to the field. Access road very good and close to the main road. An excellent opportunity for a family house or a residential building with several apartments. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions. <https://www.dux-nekretnine.hr/opci-uvjeti-poslovanja>
