Omschrijving:

In the southwestern part of the place Ugljan, in the hamlet of Guduće, for sale is a building land of 898 m2. The land has an irregular shape, and its entire surface is in the construction zone. It is surrounded by family houses and Mediterranean vegatation. All available infrastructure is located in the immediate vicinity, and access is provided by the local road.

It is located in a quiet environment, which makes it ideal for building a family house with a beautifully landscaped garden.

This land is located about 600 meters from the nearest beach, about 2 km from the center of Ugljan, where there are all the necessary amenities such as shops, restaurants, post office, doctor, playground, hair salon, etc., and about 12 km from the Ferry Port Preko.
