Omschrijving:

Each villa is independent, surrounded by a fully fenced garden with independent driveway and pedestrian access. They all are served by the internal road system within the residence. The villas with sizes between 79 and 94 sq. m. consist of large living room, 3 bedrooms, 2 bathrooms, kitchen and porch.

They are characterized by modern and elegant design, combining innovative architectural concepts and fine materials in full respect of the surrounding history and nature. The exterior walls feature exposed stone and paintwork reminiscent of the colours of the surrounding lands, spacious porches designed for dining and relaxation. All surrounded by ornamental plants and colourful flowers.

The interior features typical materials and warm paintwork. The living area has large panoramic windows. Each residential unit has a spacious garden that goes from 300 sq. m. to 600 sq. m. with the possibility of including a private swimming pool.

Possibility of merging two units

Possibility of private swimming pool

Customized solutions

TV installations, prearrangement for burglar alarm system

The residence will be equipped with a large communal swimming pool, parking lot, and equipped greenery.

Construction time is about 6 months on the existing structures and eight months starting from scratch.
