About the Fontvieille district: Fontvieille is Monaco's most westerly district, bordering the Cap d'ail commune. This district was largely built on the sea and includes the Stade Louis, a marina and the main shopping centre with a large food store. The district also offers a wide choice of restaurants, the Heliport and the University of Monaco. It is surrounded by greenery with the Roseraie de Monaco and the sea, and adjoins the town of Cap-D'Ail. While most of Fontvieille's real estate is reserved for Monegasques and rights-holders, there are also prestigious residences such as Place du Bord de Mer, Terrasses du Port, Centre Memmo and Eden Star offering luxury flats.
