Omschrijving:	

Situated on a gentle slope this picturesque 9.6 hectare lot offers panoramic views of the Pacific Ocean beautiful at all times of day but especially at sunset. The property is accessible via a smoothly paved road carved through desert foothills beyond the access gate to the Rancho San Lucas resort community. The road winds gracefully through the landscape ensuring an effortless journey to your future development. The lot itself is part of a thoughtfully planned development that blends seamlessly with its surroundings while offering modern conveniences and amenities. The site's natural slope ensures optimal drainage and provides a perfect vantage point for unobstructed ocean views.

Supplements With its prime location stunning views and easy access to a full service resort community this expansive lot is an ideal canvas for an upscale commercial development.
