Omschrijving:

Quinta Centenária - Quinta da Cardia, to buy in Marco de Canaveses, Banks of the Douro River. We present Quinta da Cardia, a magnificent centenary property located in the heart of Marco de Canaveses, on the stunning banks of the Douro River, with approximately 13 hectares of land, consisting of five urban properties and eight rural properties, this unique property combines history, nature and a privileged location.

Key features:

- 13 hectares of land, with much of it in ecological reserve, providing a natural refuge full of tranquillity and beauty.

This farm has enormous potential for development, ideal for wine-making, tourism, or sustainable projects. Its strategic location also allows for integration into tourist routes, such as the Vinho Verde, Romanesque, and Portuguese Villages routes.

Located just 37 miles from Porto, on the banks of the Douro River, with breathtaking views and a serene atmosphere.

- Rich winemaking history: Quinta da Cardia was once an important wine producer and distributor of grapes for some of the most prestigious cellars in the region.
- Direct access to the Douro River: the property has a road that leads directly to the riverside, which should be recovered, which will be ideal for enjoying leisure time by the waters.

- Preserved natural environment, perfect for those looking for a property with great tourist, agricultural or requalification project potential.

This property offers a unique opportunity for investment, winemaking, agritourism, or simply for those who want to live in a century-old farm with a privileged location in the Douro and surrounded by nature.

Quinta da Cardia, in addition to its rich wine history, is perfectly situated to integrate into the various tourist routes in Portugal, such as the Vinho Verde Route, the Romanesque Route and the Portuguese Village Routes. Here is some information on how this property can be exploited:

Clear! Let's organise this information more clearly and concisely. Here is an outline of the tourist routes that Quinta da Cardia can integrate:
