Nonsuch Bay Resort

Nonsuch Bay Resort is a luxury private resort consisting of beach cottages, villas, apartments and suites, located in the south east corner of Antigua.

The resort boasts several common areas, two receptions, two clubhouses, two a la carte restaurants, four swimming pools, a private beach with bar service and a boat dock. Echoing a West Indian Georgian colonial style, with emphasis on pure and simple Caribbean living, Nonsuch Bay takes full advantage of

its stunning waterfront setting and trade winds.

Properties are located in three areas of the resort. The apartments are located on the east side, nestled in an eight-acre natural amphitheater. On the west side, the Ayers Creek Residences offer home owners a tranquil waterfront setting. On the ridge between them are the villas, surrounded by water on three sides, commanding stunning and elevated views. The Escape at Nonsuch Bay (the All-Inclusive Couples' Only hotel) located on the west facing 14 acres foreshore, consists of one-bedroom suites, designed with comfort and elegance and island living in mind.
