It is situated at the southern end of the country close to the border of Greece opposite the island of Corfu. There are many stunning sandy and pebbly beaches. Given its coastal access and Mediterranean climate with five months of warm weather Saranda has become an important tourist attraction since the fall of communism in Albania. Saranda as well as the rest of the Albanian Riviera according to The Guardian is set to become the new undiscovered gem of the overcrowded Med. Saranda is easily accessible from Tirana the capital or other Albanian cities as well as from abroad in several ways. It is roughly 1 hour from Corfu by ferry. Mediterranean climate Over 300 sunny days a year Balanced comfortable temperatures throughout the year Mild winters Natural environment and archaeology Numerous bays and natural beaches in the proximity Rocky coastline with sandy and stony beaches Green hillside Countless tourist attractions including the ancient city of Butrint the Blue Eye or Ksamil Excellent gastronomy and varied nightlife Do not hesitate to suggest to your friends this apartment to benefit them and you the best possible price Do not hesitate to contact us for any information on available apartments and the respective price .
