renovated, you will have a peace of the beautiful Rhodope mountains which you can call home. The village is located 2 km from the spring of Arda River, 3 km from the state border with Greece, 30 km south of the town of Smolyan. Its average altitude is about 900 - 1000 m. The village is surrounded by forests and rolling hills which protect it from the cold winds in the winters, as well as from the heat and humidity that comes from the Aegean Sea in the summer.
